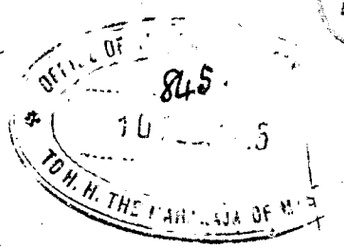
To



His Highness
the Maharaja of Mysore
Mysore.

With ... of utmost humility and deepest Solicitude I crave your highness's generous indulgence for permiss of submitting this earnest appeal of mine for putting forward my humble claim before your highness's Sym therein Consideration sanguinely hopeful not to miss the blessing tide of your generosity and benevolence whi will affect the blooming of my dearest desire with which have been inspired in these desolitude and decaying days of

In this Connection I most respectfully beg to point that I am an old Scion of the noted family of Mirs Sudoo Ghoolam Ali Bukshi being the only Surviving daughter o Teppu Bee, Mysore State pensioner No 8, who died on the 7th July 1907 and who was in the enjoyment of a monthly pension of Rs 29-2-8, half of that enjoyed by her father Hajee Nuthiddin Khurishee the eldest Son of the Said Mir Sudoor.

That after the fall of Seringapatam this Mir Sudoor Ghoolam Ali Bukshi was endowed with a pension of 3000 pago per annum and irrespective of this grant his eldest s (ie my grand father) was also bestowed with a separate mon Stipend of Rs 58 and odd for his pocket expenses (ie of his navakhoree) by the Mysore Commissioners which enjoyed till his death along with the family pension that fe to his share after the demise of his father Mir Sudoor Ghoola Ali Bukshi.

My grand father the Said Hajee Nuthuddin Kureshi distributed his family pension during his life time to all of his Children except his last daughter (i.e) my mother Tippu Bee, for the Sole maintenance and Support of whom he received his personal grant of Rs 58 and odd.

It will not be out of place here to add that my mother was married to a very poor but pious and respectable man Khasim Khan Sahib who also depended on this pension of his father in law under whose entire support both my parents rested till his life. From this fact it is clear that my mother and myself had not the fortune of inheriting any estate or property from that side (i.e my father's side)

After the demise of my grand-father the benign Government had been pleased to Sanction a pension of Rs 29-2-8 per mensem upon the name of my mother Tippu Bee that formed the only means of our maintenance and the chief source of our support.

My mother parted from this world on the 7th July 1907 leaving me behind her as her only daughter and legal heir. My mother a few days prior to her death had submitted a memorial to your highness praying for the Continuance of the pension enjoyed by her in the name of her daughter and her grand-son Mir Ghouse Baddie (i.e. myself and my eldest son) to which an endorsement dated 10th October 1903 was granted which read as under :—

"The petitioner is informed that the question of the disposal of her pension cannot be considered during her life time."

That after the demise of my mother, my son Mir Ghouse Baddie applied to your highness's Govt for the Continuance of this pension upon his name to which he received an endorsement stating that the pension under reference was only a life grant and lapsed to the Government with the death of its holder.

Now I most Supplicantly Submit that my present Circumstances have so badly driven to verge of poverty and confined within the doors of utter indigence that I find no other path open which will serve me to keep up the prestige of my ancestors than to resort myself to the boundless generosity and merciful munificence of your highness for my protection in this old age of mine and for the amelioration of my depressed Condition by Conferring upon my name such portion, as your highness may deem expedient, out of the stipend enjoyed by my mother the Late Tippoo Bee who was the first to succeed to the said pension after its original grantee Hajee Nuthuddeen Khanishee, and as such I stand only the second descendent to share the bounty of your highness which has been extended to four successive claimants of the family of Dirs Sudoos who are enjoying even for the present day the gift of your highness out of the pensions of their respective ancestors.

As for the phrase 'life grant' inserted in the Commissioners report, it is only a formal one which was from the very beginning overlooked and lost sight of in the Case of all the Surviving members of the family that enjoy your highness's state pension at the present day through the phrase being in the existance in the Case of all their predecessors and I therefore earnestly appeal that your highness may graciously be pleased to take this humble memorial of mine into your highness's kind and compassionate view and in consideration of my nearer relation & the claim and the destitude Condetion of my Circumstances with part a portion of my mothers pension upon my name so that I may not be the only unfortunate and deprived one of the magnanimous gifts and kind protection that has been

So liberally extended to four successive descendents in the family which they even now enjoy.

Under the foregoing circumstances I crave that a reference may be made to the Divisional officer Ranipet through the Collector of North Arcot to enquire into my matter and bestow on me such protection as your highness may regard myself deserving in these evening days of mine.

for this act of charity and generosity my soul can never miss a moment from sending forth its fervent prayers with every breath and through every pulse for your highness's peaceful longevity and ~~glorious~~ brilliant prosperity of Mysore State as well as for the speedy success and glorious achievement of the benign British Arms in the present Crisis whose predominance may Command every Continent and upon whom the sun of prosperity may ever shine with its full effulgence

I beg to remain
your highness's most humble
